

## The Salvation Army Flag

- Blue construction paper (8.5" by 11")
- Red construction paper cut .5" off the width for 8" and cut 5" off the height to get 6". (6" by 8")
- Glue the red construction paper on top of the blue construction paper. The blue construction paper should be showing 1.25" to 1.5" around the red.
- Cut out pattern A on PITstop B.
- Trace pattern A onto yellow construction paper.
- Write Blood & Fire on the yellow star and cut out the star.
- With blue and red construction paper in horizontal position, glue the yellow star in the center of red construction paper.

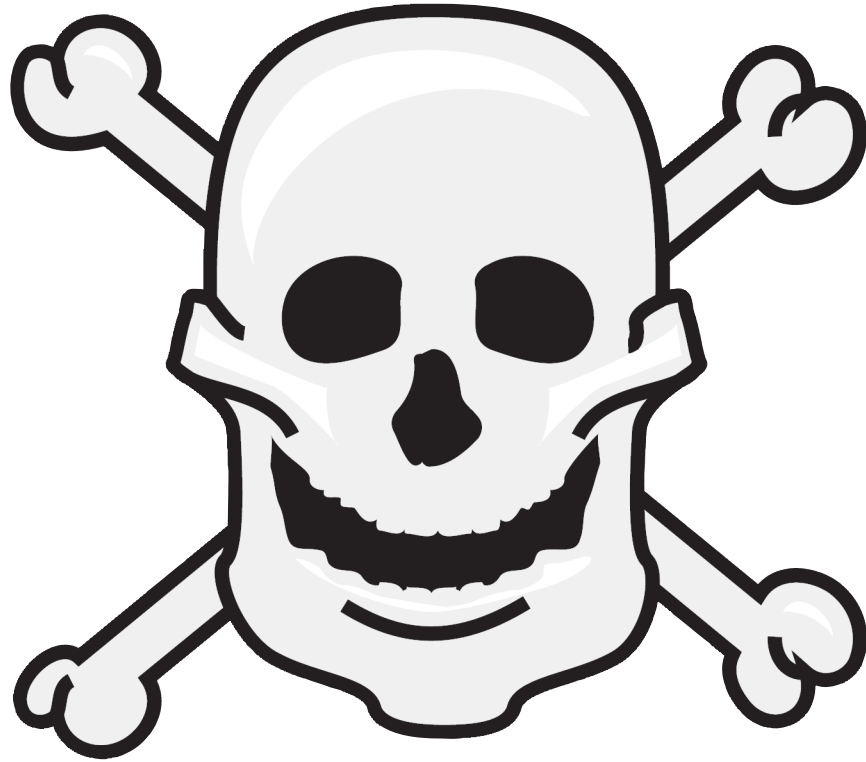

## The Skeleton Army Flag

- Black construction paper (8.5" by 11")
- Cut out all patterns on PITstop C.
- With the black construction paper in horizontal position, glue the skull and crossbones in the center.
- Glue the word BLOOD above the skull and crossbones.
- Glue the word THUNDER below the skull and crossbones.
- Glue the backs of The Salvation Army flag and the Skeleton Army flag together.
- When finished there'll be one flag with The Salvation Army flag on one side and the Skeleton Army flag on the reverse.
