

When someone hurts
my feelings I should
tell other people
about it so they'll be
mad at the person
who hurt me.

Watching a
religious T.V. show
is the same thing
as going to church.

Just because
I read the Bible
I'm a Christian.

I should obey
my parents only
when I want to.

Playing with an
Ouija board is okay
because I'm a
Christian and know
that it isn't real.

I should tell my
friends about God.
