UNIT AIM:

This unit will introduce junior soldiers to four people from the Old Testament who are powerful examples for young people. Junior soldiers will learn the importance of relying on God, listening to God, following His guidance, and having complete trust in Him.

UNIT DOCTRINE EMPHASIS:

Doctrine Two

We believe that there is only one God, who is infinitely perfect, the Creator, Preserver, and Governor of all things, and who is the only proper object of religious worship.

Doctrine Eight

We believe that we are justified by grace through faith in our Lord Jesus Christ and that he that believeth hath the witness in himself.

FEBRUARY
(YEAR TWO)

SALVATION ARMY CONNECTION

We believe that we are justified by grace through faith in our Lord Jesus Christ and that he that believeth hath the witness in himself.

The eighth doctrine of The Salvation Army expresses our belief that all believers, through their justification and assurance by Jesus' sacrifice, can have confidence in living, in serving, in praying, and in facing eternity. We don't need to spend our time worrying, because God will meet our needs. We can spend our time as witnesses of His loving care.

This unit will introduce junior soldiers to several Old Testament figures who relied on God to meet their needs. Their faith in God led to positive outcomes for either themselves or the people they served.

As Christians and Salvationists, we must show the same type of faith. We must be comforted by God's love and care for us, and be firm in our belief in Him. Our reliance on Him will serve as a witness to those around us.

[UNIT CONNECTION]

Old Testament People

This unit will help your junior soldiers learn about Bible people—not much older than they are—whom God used to fulfill His purpose. Your junior soldiers will see what happens when God's children place their faith, trust, and hope in Him.

In lesson one, they will learn about trusting God and the Holy Spirit's guidance to fulfill their responsibilities. The story of Josiah, the boy king, will inspire junior soldiers to trust God to help them complete their tasks.

Lessons two and three examine listening to God's voice and obeying His commands. Both Samuel and Gideon heard the voice of God. Samuel listened to God's voice, and followed His command. Gideon needed to see God's power in concrete ways before obeying God's commands.

The final lesson of this unit will help your junior soldiers understand that God has a purpose for each one of them. Through the story of Esther, they'll learn about courage and holding on to their faith. Junior soldiers will learn that God is faithful to those who are faithful to Him.

[TEACHING TIPS]

There's no such thing as a dumb faith question, but there are dumb faith answers, like:

- You should know that by now.
- That's a silly question. Be serious.
- You're too young to understand that.

A child's question opens a door. Our answer opens it wider or slams it shut. Respectfully answering questions builds trust and invites more conversation.
